- (c) In case of an error in a Consent Instruction communicated to the Proxyholder, which would result in the related vote not being taken into account by the Fiduciary, the Proxyholder shall, as soon as practicable, inform the Holder(s). The respective Holder shall then submit a new Consent Instruction for the Holder's vote to be able to be taken into account.

Furthermore, Holders who wish to be present at the Meeting (or at the adjourned Meeting) and who have submitted the requested Special Confirmation and Blocking Notice within the Submission Period shall be notified by the Fiduciary that all necessary steps have been completed for the Holders to be able to be present at the Meeting (or at the adjourned Meeting).
